

RENDERING STUDIO

Stair + Great Room

Architectural visualization | SketchUp model + perspective renderings

STAIR + GREAT ROOM

Stair Hall

From SketchUp model to finished visualization.

SKETCHUP MODEL

Modeled architecture + design intent

PERSPECTIVE RENDERING

Visual interpretation of the modeled space

STAIR + GREAT ROOM

Upper Landing

A second view showing continuity across the same architectural space.

SKETCHUP MODEL

Source geometry + spatial relationships

PERSPECTIVE RENDERING

Cohesive visualization from a second viewpoint

STAIR + GREAT ROOM

Model to visualization.

The original SketchUp view paired with the finished perspective rendering.
