

RENDERING STUDIO

Downtown Condo

Kitchen visualization | Interior elevations + perspective renderings

Range + Hood

From design documentation to finished visualization.

INTERIOR ELEVATION

Design documentation

PERSPECTIVE RENDERING

Visual interpretation of the approved direction

Sink + Bar

A second view showing continuity across the same kitchen.

INTERIOR ELEVATION

Design documentation

PERSPECTIVE RENDERING

Visual interpretation of the approved direction

DOWNTOWN CONDO

Cohesive views. One design direction.

Perspective renderings developed from the project elevations and design intent.
